

FINANCIAL SERVICES GUIDE

This Financial Services Guide (**FSG**) is an important document. It is designed to assist you in deciding whether to use any of the financial services and products offered by Paradise Investment Management Pty Ltd (ABN 64 090 148 619, AFSL No. 224 158) (**Paradice, we** or **us**). We are required to provide this FSG to you if we provide financial services to you as a retail client.

This FSG provides you with important information about:

- the types of services and products we can offer you
- how we (and other relevant persons) are remunerated for these services and products
- our internal and external complaints handling procedures and how you can use them
- how you can contact both us and Equity Trustees Limited (ABN 46 004 031 298, AFSL No. 240975) (**Equity Trustees**), which is the responsible entity and issuer of the registered managed investment schemes that we manage.

Other disclosure documents

Before you can invest in one of our retail financial products we are required to provide you with a product disclosure statement (**PDS**). The PDS contains important information regarding the features, benefits, risks and fees applicable to an investment in that financial product, and should be read carefully to enable you to make an informed decision about whether to invest in the financial product. You should consult with your licensed financial adviser if required.

A Statement of Advice (**SOA**) will normally be given to you when you are provided with any personal advice, which takes into account your objectives, financial situation and/ or needs. We do not provide personal advice. Therefore, we will not provide you with an SOA. An intermediary (such as a financial planner, stockbroker or dealer group) may provide you with an SOA.
